Youth Pastor in International Multi-Cultural Setting

The International Baptist Church of Cologne Germany is seeking to fill the position of Youth Pastor in our congregation.

IBC church Cologne is an English language congregation ministering to a large English speaking community in the Cologne / Bonn metropolitan region of west central Germany. The church is a fast growing congregation with expanding ministries. With appx. 65 members from over 20 countries, our Sunday worship attendance is typically close to 100 people.

IBC church Cologne is a participating member in the International Baptist Convention (www.ibc-churches.org) and in the Bund Evangelisch-freikirchlicher Gemeinden Deutschland (German Baptist Union; www.baptisten.org). Opportunities to network with youth through these denominational connections are abundant.

The GPS is the newly formed youth ministry of our church that reaches out to high school and university students. With a core group presently of eight to twelve young people, the potential for growth is unlimited. Almost a hundred thousand young people live in this region and most have no knowledge of Christ.

The youth ministry is a mission field opportunity to work with young people coming to Cologne from all over the world. Serve God in Cologne and let the world come to you.

Cologne / Bonn Germany is the fourth largest metropolitan region in Germany with over four million residents. It has the second largest group of internationals in all of Germany.
